

STUDENT SUMMER ADVENTURE PROGRAM FRANCE

DATES

July 3rd to July 17th 2021 (2 weeks)
or
July 3rd to July 24th 2021 (3 weeks)

HOST FAMILY

You will stay in a carefully selected host family. Living with locals is the best way to discover the French culture from the inside! Look forward to be part of the family and share stories with them while having dinner together. Depending on availability our students will stay in a single or double room. In case two students will be sharing a room in the same Host Family, they are guaranteed to be the same sex and from different nationalities.

YOUR SCHEDULE

Learn and improve your French with professional teachers and by being immersed to locals and the beautiful city. Four days of the week you will take French classes in the morning (3x 50 min) and in the afternoon you'll be exploring Paris's treasures. The whole of Wednesdays and Saturdays are dedicated to cool activities and excursions in the area. Discover Paris and its beautiful treasures such as the Musée du Louvre, the Musée d'Orsay or the Eiffel Tower. In case two weeks aren't long enough, there's an option to stay a third week. During the third week there won't be any more French classes. You'll get to stay with your host family and live the life of a French teenager.
