

# STUDENT SUMMER ADVENTURE CAMP SPAIN 2020

## START DATES

July 4<sup>th</sup> 2020 / July 11<sup>th</sup> 2020  
July 18<sup>th</sup> 2020 / July 25<sup>th</sup> 2020

## ACCOMMODATION

Each participant will share a double bedroom dorm with another international student. Living in the dorms gives you the perfect opportunity to share your experience with fellow international students. Full board is included with three meals a day and having the beach just around the corner means you'll never lack for things to do. There are common areas with free high-speed internet access 24 hours a day and spacious well-lit reading rooms with sofas and coffee tables. There is also a game room equipped with various games like pool, table tennis, etc.

## YOUR SCHEDULE

In the mornings, students will have the perfect chance to learn such widely spoken languages as Spanish. Being immersed in a Spanish-speaking city combined with an interesting faculty and dynamic Spanish lessons provides the perfect scenario for effective language learning.

After daily language classes (Mo-Fr) you have the opportunity to relax, either at the beach or in a local park in case you prefer a shady spot. Later in the afternoon students will head out to town for group activities, museum trips, and downtime in local parks and cafes. Activities change daily, so you'll never get bored. Some of the highlights are surfing at the beach, going on a boat trip or playing volleyball at one of Valencia's prettiest beaches while the sun is setting over the ocean.

## SAMPLE PLANNING

**Day 1:** Science Museum + Oceanographic
