COMMUNITY

Hopkinton, one of Massachusetts’ largest towns geographically, remains one of the state’s fastest growing communities. The rural beauty and friendly small-town character of Hopkinton have been preserved as the town’s industrial base has changed from agriculture to biomedical and technology. Best known as the starting place for the Boston Marathon, Hopkinton is located twenty-six miles west of downtown Boston.

ACADEMICS

All Hopkinton’s programs are very strong. The school is ranked sixth within Massachusetts. The AP participation rate at Hopkinton High School is 83%. With a burgeoning interest in STEM careers, we have rapidly grown our Engineering and Technology program to include Robotics, Team Robotics, Honors Sustainable Engineering, Honors Engineering & Technology, Re-engineering History and Fab Lab: 3-D Design and Fabrication. Simultaneously, our number of young women interested in STEM careers and enrolled in these courses has grown exponentially. New extracurricular offerings include: Women in STEM, Robotics Club, and Science Olympiad.
